Obituary

Hello everyone, we are the grandchildren of Baltazar Carrancho Pascua. We will be reading this eulogy together. Our grandpa was born on January 06, 1945. He was raised in Camarao, Narvacan, Ilocos Sur. Our grandpa is preceded in death by his parents: Martin Escobar Pascua & Guadalupe Carrancho Pascua, His grandson Martin Escobar Pascua II & his great nephew Joseph Jeremy Guerrero Jr. He is survived by his wife Erlinda Azurin Pascua Of 54 Years. His six children; Ronnie, Richard, Roger, Carolina, Baltazar Jr and Jenner. His 16 grandchildren; Leslie, Mark, Ashley, Brendon, Richelle, Kenji, Kasie, Aika, Ivy, Kyla, Jarret-King, Alliah, Allen, Stanley, Angelo, Chloe. His grandchildren Daniel Enriquez And Donovan Hernandez. His siblings; Mila, Menchie, Danny and Amado. All of us carry his memories, as well as his close friends and family. Our grandpa came to California in 1997 from the Philippines along with our grandma. He was the best grandpa anyone could ask for. Everyday for over 10 years he would pick up his grandchildren from school and cook for them. He was always ready to celebrate with his family no matter the occasion. My grandpa was a family man through and through. He helped raise every single one of his grandchildren and we will miss him every single day. His favorite place to spend his free time was Bay 101, he would always have a smile on his face no matter where he went. Even though he did not speak the best English, he communicated with everyone in his path. Everyday we will think of him and miss him dearly. He was always there for us and that will never stop, he will always be held in our hearts and memories. Now you can rest easy grandpa, no more pain or worries. We will forever be grateful for everything you have done for this family and we all love you more than words can express.

With Love, Your Grandchildren.

On the behalf of the family, we would like to thank you all for coming to say your goodbyes. Our Grandpa was truly amazing.
