

Briana Victoria Lopez Chavez

December 7, 2004 - October 11, 2023

Briana Victoria Lopez Chavez, a remarkable soul, was born in San Jose, CA, on December 7, 2004, and passed away on October 11, 2023, at the Lucile Salter Packard Children's Hospital. She was a symbol of strength and inspiration to all who had the privilege of knowing her.

From the moment she entered this world, Briana faced a unique and challenging journey, living with Epidermolysis Bullosa (EB), a condition that made her skin as delicate as a butterfly's wings. Despite the odds stacked against her, she was always a warrior and a fighter who refused to let her condition define her.

Like her middle name 'Victoria,' she came out with victory over every battle, proving doctors wrong who had once predicted she might not live past her first birthday.

Briana is survived by her loving mother, soul mate, and best friend, Veronica Chavez; her father, Alejandro Lopez; and her cherished siblings: Evelyn, Daniel, David, Veronica, Mikey, and her beloved nephew, whom she loved like a brother. Briana had a special way of showing her affection, often likened to 'fluffing up' Alex like a pillow, as she would lovingly pat him, bringing comfort and joy.

Briana loved eating (especially desserts). Her favorite place was foodie land. She adored spending time with her dogs, Frosty, Snow, and Chiquita. She also loved dancing and listening to her favorite artist, Selena Gomez.

She had recently learned to drive and was excited to obtain her license, a testament to her determination.

Join us to celebrate her life on October 19,2023.

Briana's legacy of strength, love, and resilience will forever flutter in our hearts. May she rest in eternal peace.

Briana Victoria Lopez Chavez, un alma extraordinaria, nació en San José, California, el 7 de diciembre de 2004, y nos dejó el 11 de octubre de 2023 en el Hospital de Niños Lucile Salter Packard. Fue un faro de fuerza e inspiración para todos los que tuvieron el privilegio de conocerla.

Desde el momento en que llegó a este mundo, Briana enfrentó un viaje único y desafiante, viviendo con Epidermólisis Bullosa (EB), una condición que volvía su piel tan delicada como las alas de una mariposa. A pesar de las probabilidades en su contra, siempre fue una guerrera y luchadora que se negó a dejar que su condición la definiera.

Como su segundo nombre, 'Victoria', triunfó victoriosamente en cada batalla, demostrando que los médicos estaban equivocados cuando una vez predijeron que no viviría más allá de su primer cumpleaños.

A Briana le sobreviven su querida madre, alma gemela y mejor amiga, Veronica Chavez; su padre, Alejandro Lopez; y sus queridos hermanos:

Evelyn, Daniel, David, Veronica, Mikey y su sobrino querido, a quien amaba como a un hermano, Alex. Briana tenía una forma especial de mostrar su cariño a su sobrino, solía decir que lo 'esponjaría' con cariño, como si estuviera dando golpecitos a una suave almohada (por la forma llenita de su sobrinito).

Briana amaba comer (especialmente postres). Su lugar favorito era "foodie land". Adoraba pasar tiempo con sus perros, Frosty, Snow y Chiquita. También le encantaba bailar y escuchar a su artista favorita, Selena Gomez.

Recientemente había aprendido a conducir y estaba emocionada por obtener su licencia, un testimonio de su determinación.

Únase a nosotros para celebrar su vida el 19 de octubre de 2023.

El legado de Briana de fuerza, amor y resistencia siempre permanecerá en nuestros corazones. Que descanse en paz eterna.
