“ *Pinky, even at my worst you could always make me feel better, even tell me to man the hell up and keep it moving, you became somebody I have and will always admire you are family through and through, always trying to feed someone to distract them from whatever chaos they were dealing with. We will forever keep your voice alive to whoever needs to hear it. We love you pinky!* ”

*your smile, your jokes and you're cooking. That was so funny I was just telling everyone how excited I was to be reunited with you. since we both were going through the same issues. Also, I missed your cooking, and you are the only person that knew how to crack my back. You helped me with Michelle. San Jose will never be the same. I am not sure why he took you away from all of us especially Noah and Nai; I'm crushed right now. God Gained another beautiful Angel. Gone but never forgotten. I love you (Hoe) Pinky. For those asking it was something only her and I know about lol sorry. Give JJ and Dad a huge hug and kiss from me. Love you and will miss you*
