“David Cota was a dear and hilarious scheming friend. We met in grade school, and from that moment, our bond grew stronger with each passing year. Our childhood was an amalgam of unforgettable adventures—jumping ramps with our bicycles, engaging in dirt-cod fights, and skateboarding through the neighborhood. David's adventurous spirit was infectious, and in many instances staged with get-away quick plans....and no I will not divulge them...lol. He taught me how to ride a motorcycle, but didn't teach me how to avoid crashing. A skill I will always cherish. The motorcycle riding, not the crashing part.

David's passion for soccer was another gift he shared with me. He, along with his brothers Eddie, Mondo, and Jamie, encouraged me to join in front-yard games and helped me become a better player. I never knew soccer was a full-contact sport until they taught me the game. Their family welcomed me with open arms, they became my second family until I left San Jose to serve in the Air Force. I never returned to San Jose to live. But I never forgot where I lived, who I grew up with, or David hilariously screaming at me “HEY JEFF, YOU GONNA GO OR WHAT!” or his “WAIT A MINUTE, I'M SPITTIN FOAM!” The latter was usually after a soccer game.

David's hilarious banter, kindness, sincerity, and unwavering support were a constant source of strength and joy in my life. He welcomed me as a brother, and his family treated me as one of their own. I am forever grateful for the countless memories and the profound impact he had on me.

Rest in peace, dear friend and brother; I will miss you. Your legacy of love, laughter, and friendship will live on in my heart forever. Love, hugs, and prayers to the Cota Family.

“ David was our neighbor for awhile. WHAT A GREAT GUY. We had many short and long conversations in passing and chatting in the driveway. Only kind and cheerful and friendly words 100% of the time. Sincere condolences to his family and friends, and we send prayers and hold him in our hearts.
