“ Denny Lee was like no other. He had an inner drive to succeed and improve. He often times had a smile on his face or joked around. He could easily have other people laughing with him as well. Denny always had money. He was never broke. He enjoyed the finer things in life, taking pride in his home and family. He enjoyed outdoors, camping, days on the lake, motorcycles and dirt bike riding, BMX, barbeques, family reunions, watching movies, and comedy. he is not here anymore but his memory lives on in all the times he stopped by my Mom and Dad's house and friends houses. He had a big family and many friends whom he will be missed by. Although we were not together anymore we tried to remain friends for Daniel and Daija. Nothing not even death could break the special bond and the absolute unconditional love for them. I know Denny is in heaven and before long, we will all be together again.

“ *Sharing a memory... of when I first met this young man. He was about a year and half years old, along side his little brother Victor. He was a bright eyed, curly locks if hair, and a smile that no matter what mischief he was into you couldn't help but smile. You will be missed Denny Lee I only wish I could have spent more time in your life. Rest in peace* 🌹❤️
