“ Donna was a very loving person who loved what she didteaching and working with children. She did her job exceptionally well. She went above and beyond the call of duty. She was a friend, mentor, and confidante to me. I will always remember her for sharing her knowledge that helped me become the teacher I am. She will always be in my thoughts and heart forever. I love you, Donna!

“ Donna, God needed another angel: a powerful angel so he called you home we talked about when we retire what we were going to do but my friend all your life you did do it you bought such joy love and beautiful memories to all that entered into your life including me and for that I am so thankful, thankful God gave me the opportunity to be one of the lucky ones whose life you touched I was sad at first when I heard of your Entering into heaven but I had to remember Gods will is, will be Gods will but I think him for the time that he allowed you to be with us because you leave us with such love and so many many great memories that I cant be sad because they were such happy memories rest in peace my friend love Deborah Crew
