Obituary

You've Just Walked On Ahead of Me

And I've got to understand
You must release the ones you love
And let go of their hand.
I try and cope the best I can
But I'm missing you so much
If I could only see you
And once more feel your touch.
Yes, you've just walked on ahead of me
Don't worry I'll be fine
But now and then I swear I feel
Your hand slip into mine.

“ *Evan, I love how you were such a dedicated father to your son. It's going to be different around here without your sweet face. Watch over us from time to time chulo. Your mom and son will be ok, rest now without any worries. Until we meet again, Tia Tina*

“ *Evan thank you for making me smile and bringing that warmth and loving feeling the day you told me I raised a good son. That made me happy and I appreciated hearing it. I know I told you thank you, but it was so heartfelt and you made my day. To your parents, Thank you for the blessing you brought into this world you raised a good son & Im glad the boys are blessed with their friendships. Love and prayers to you all*

“ Grandpa Jim and I along with your SABLAN FAMILY on Guam are sad that our Lord has decided he needed you now but we understand and will miss you very much. We all were so looking forward to seeing you and Aiden here for a visit so we could introduce you to all your aunts, uncles and cousins. We will have to wait until we see you again. Know that even if we were not able to physically see you daily, we love you very much. Grammy Lou.& Papa Jim, Guam
