

Francisco Javier Aldama Jr.

September 25, 1984 - July 4, 2024

It is with great sadness to announce the sudden death of Francisco Javier Aldama Jr. He is remembered by his mother and step father (Denice & Francisco Juarez), siblings (Lulu, Corina, Francisco), children (Antonio, Geovanni, Navinah), the mother of his children (Christina), and girlfriend (Sonia).

Francisco was known as Pico to many. Born and raised in San Jose California on September 25, 1984. Pico was a loving son, father, brother and friend. He would help anyone however he could. He was quite the skilled mechanic and if you had "beat" in your car, there's a good chance he hooked you up. His sense of humor will never be forgotten along with his goofy laugh. So many good memories of Pico will be cherished by his loved ones forever. May God welcome him with open arms and take any pain away so that Pico will be at peace.

“ I remember all the way back to Mrs. Gulosh's class at Ryan Elementary. I was in the same class as Corina. I have loved your family all this time. I can't believe you're gone. I will miss you friend. I know Carmela came to get you. I will remember you both always. Love, your friend forever, Tia.

Omg. I remember him from Ryan school. He was friends with my brother Efrain. His sister Carmella was best friends with my sister Maria. We use to live on Sussex Dr. I remember when Carmella passed my sister was devastated and so was I. I am so sorry to the family. Much prayers. I know this is an old obituary but I was surprised to see this. I remember him and his red hair and his smile in elementary school would light up a room.
