

## HUAN NGUYEN

June 9, 1964 - October 19, 2021

### Obituary

We are deeply saddened with the passing of our beloved brother, Huan Nguyen on Tuesday, October 19, 2021 in San Jose, California. He was 57 years old.

Huan was a loving son, a loving brother, a caring father, and a good friend to many!

We are grateful to have him in our lives and we will miss him dearly.

Though he has left us so soon, we take comfort in knowing that he is finally at peace.

In honor of Huan's memory, the family requests that any donations be made to

the American Heart Association.

Mask are required indoors!

“ *I remember Chris always watering the plants at his wife's salon. He  
would say you had to be gentle and caring. I took that home to my  
plants, and I now smile.*
