“ Jacob,
I will miss your banter with me. I will miss your smile. I will miss the times you would come and you and Alex would cook and talk crap to each other. You are loved and will be missed dearly. You are forever in our hearts and thank you for the memories. May you rest in paradise. ❤️ Tia Chandra

“ I remember Jacob always being funny and of course being a grumpy , he will always talk his shit but in the end he was always right with what he had to say. I remember him coming to my general reveal as well coming to my house and meeting my kids. Jacob also got close to my husband and they shared a lot of moments together. He will truly be missed, and I will forever carry the memories I shared with him. Rest In Love Jacob 🙏

“ I remember how Jacob hanging around Nathan, Brandon and Alex. Remember all the great birthday, holiday gatherings and especially the Halloween parties. I especially remember the great hugs I use to get and his “Hi Grandma” greetings.
Love you and may you rest peacefully.
