“ *Jaime was a true blessing and always will be missed. I knew Jaime because he was my brother in law. He was there always a great ball of energy. Jaime was the brother the hermano to my wife Natalie. Always there to help and comfort everyone. He is now gone and a great soul to be missed each and every day we live our lives. May God protect you and honor you in heaven. RiP Jaime 🙏

“ Our family was truly given a gift when Jaime came into our lives. He was in and out of our home during his high school years, always doing something silly and full of life. It saddens my heart to know that he received his angel wings so soon. Jaime will be deeply missed by all who knew and loved him—his friends, his family, and everyone he brought joy to.

One thing I will always remember about Jaime is his beautiful smile. He was always smiling, and you couldn't help but smile back. He had a way of making everyone feel happy just by being near.

I will forever cherish the memories of him running in and out of my house, grabbing lunch after school with all the guys, filling our home with laughter and life. Rest in peace, Jaime. You'll always hold a special place in our hearts.

“ *I was blessed to have met him in a time where I didn't have many people in my life that brought my joy just by seeing them. Coming out of COVID and having few people that would make me laugh and enjoy the day. He was that man! He would come into work and make every day better just by his presence his joy in life that he gave to me and to you! You my friend were a light in life when most of us were in the dark! I will never forget the joy and laughter that you brought every day! My thoughts and prayers go out to you and your family!*

“ To Jaime’s family;

I am so sorry for your loss. It’s indescribable and heartbreaking. Please know he was an amazing guy and made the world a better place being in it. I am so glad he was a part of our lives.

Jaime,

I met you with through Krista and Keanu and everyone else at school. You were such great kid. I don’t know what to say, this is such a shock to us. But isn’t that always the way it is? You were loved, you still are. You didn’t see yourself the way others did, but you should have. I wish I stayed on that more after graduation. You had a smile that lit up a room, and those dimples! You were that friend that people could turn to. You were loved more than you knew. I am so honored to have gotten to know you and for you to be a part of our lives, and to watch you grow into an adult with the other kiddos. We are going to miss you. I hope you are playing with your pup up there and smiling that great smile down on us, knowing what you meant to everyone.
