“ To the family and friends that loved and knew, Jeanne Coelho, I'm sorry for your loss and send my most sincere condolences.

To Jean,

I'm sad to hear you are no longer with us, I just wanted to take a moment and share what a wonderful, fun person you were. I thank you for sharing parts of your life with me.

From the moment I met you, you were a tiny, little, quiet but kind, pleasant, and over all fun person! You made every game of triaminos a fun one, always knew who's turn it was, and when someone was trying to cheat, but I won't mention any name's, that's our secret! You always expressed how good my cooking was for which I am forever grateful, you enjoyed a good cup of coffee or tea, looking through old pictures, a moment to just talk, and the company of others. Your love of gardening, and your tomatoes that you were last growing, were some of the pretties shades of red, and taste so delicious. You had a fun sense of humor, cause of it we bonded great! You were my friend, dear to me, glad I had the chance to meet you. You may be gone, but you'll never be forgotten! Rest easy my "little Jeanne in a bottle" you've gained your wings, soar high beautiful angel.

Sincerely your friend,

Nicole
