### Obituary

Jesus E. Plascencia Sanchez

December 24, 1998 - August 30, 2019 (age 20)

Jesus Emmanuel Plascencia Sanchez was born December 24, 1998. He was born and raised in San Jose, California. Jesus was attending San Jose State University pursuing a degree in Sociology and minor in Recreational Management. He was the middle child to Moises and Veronica Plascencia. He had an older sister, Samantha and younger brother, Ulysses.

He was a caring son, brother, cousin, grandchild, and friend. During his free time he enjoyed concerts, hiking, watching the sunset, searching up cars and teaching Ulysses new things. Everyone that has met Jesus, knows how shy he was but overtime, he came out of his shell. Jesus also known as Waves, was passionate about volunteering and working at Walden West. Being around nature and teaching kids about science brought joy to him. On August 30th, his life was cut short due to a car accident. Memories of him will be cherished forever by family and friends.
