“ RIP Keith. I being working at the same company in the 80's had an opportunity to have conversation with you. You're very good communicator and enjoyed talking to people who were interested in having conversation with you. Thanks for all the fun you had with my friend Espie. We will miss you.

“ *I sympathize with the family of Keith Molone. I am Esperanza's Brother, that's where I met Keith and I wasn't yet employed at that time. I remember Keith Molone's kindness when I first saw him, he gave me \$200. He said he understood my situation, I wasn't employed yet. He said he experienced his own unemployment. He also gave my two children t-shirts. I met Keith Malone, he was kind and helpful, wherever he is now, I hope he is happy. Keith Molone, my friend, we will miss you.*

Keith, it was nice knowing you and working with you in the past. At
SPECTRIAN Company. We give you a name Michael Jackson
because you were always nice and dressed up nice and shining like
Michael Jackson ✨. I also known you by being so sweet and friendly
with everyone we had our little group in Spectrian very precious and we
were so happy working there. I remembered you coming to work every
day with a very friendly smile. Friends like you will be missed forever.
Good bye Keith 🙏. May you rest in peace 🙏. Said hi to Jesus from
