Obituary

On January 24th, 2022 my mom Lisa Soledad Serrano Brooks had earned her wings and joined her family in heaven, she left behind her husband of 3 years and her only daughter. My mom was a loving, honest and loyal woman. She enjoyed watching her Raiders play, along with baking and trying new recipes she always put her family first before herself, she loved grooving to music and always knew how to have a good time. My mom was full of love and cherished every second, minute & hour she had with her family, making memories and sharing a few laughs. Losing my mom was the worst thing to have ever happened to me, my dad and our family. We are at a loss of words since my mom left us so suddenly. I honestly can say I don't know how I feel but I know my mom is no longer in pain and is finally reunited with her parents once again. I will always miss my mom and I will cherish all the memories we created and all the laughs we shared. Rest in Love Mom 10/14/1975-01/24/2022.
