“ I am very sorry for the loss of your beautiful mom , she always had a smile on her face and love in her heart, She worked with me in the were house kitchen at SAP in 2015 . She made our pico and Gucamole by hand. On her Birthday she would get drench with whip cream . Luz would just laugh , but we had fun. They had a cake for her. We enjoyed her company with us every day. She brought joy to us. We became good friends and we call each other sis. Even when she left SAP we kept in touch with each other and we texted each other every morning. I miss her texts. I love her so much, I miss her. My thoughts and prayers are with the family during this time.
