“ *Hi mom, it has been a little more than 4 years since you went to be with our Lord, and I still miss you very much! I wanted to thank you very much again for being my mother! You are and will always be the best mom to me in the entire world and I cannot wait to see you in Heaven soon! You are the most unconditional loving, patient, caring, merciful, forgiving, etc.... mom and person that I will ever know. Mom, to me, you are the perfect example of Proverbs 31, and I am truly most blessed to be your son. I just hoped to have you a little bit longer in the world and I am still having guilt in causing your sickness that led to your passing. I know that I will have to live with this guilt for the rest of my life; although, you forgave me before your passing. I know you are well in Heaven, because I see you are busy teaching kids, which has always been your passion. I also enjoyed running around with you on the beautiful green field with perfect weather in Heaven and seeing our family. I cannot wait to join all of you in Heaven soon!*
