“ Paul was one of my closest gaming buddies. He basically took me in like a lost puppy and made sure to show that I'm loved even by people thousands of miles from me. He always had the best jokes and even some amazing life advice. Paul created a small group called Phenom and to me this group became a family. Paul shined is light across the country with a lot of us. And we all love him. Thank you Paul for showing all of us that love has no limits.
