“ Priscilla was my dear friend all through school in Campbell. After graduation Her parents drove us back to college in Washington for our sophomore year. One other trip we drove ourselves in my old Chevy and had to fill the radiator with water more often than we needed gasoline.

Our senior year of high school, one day nearing graduation, we each called in “sick’ and skipped off to Santa Cruz for a glorious day at the beach. Somehow we never got caught despite showing up at school the next day with a little sun burn.

Priscilla’s mother Charlotte was an excellent seamstress and she saved me from flunking sewing class by finishing my project the night before the deadline. Priscilla took after her mother and enjoyed sewing also.

Priscilla and I always kept in contact tho our lives took different paths. We could just pick right up where we left off the next time we were together.

I’ll look forward to seeing her again in the Great hereafter when we all go home to be with Jesus our Lord.

Her father Paul loved to tell the story of little 4 year old Priscilla entertaining passengers on the train traveling west from Chicago. She sang her Sunday school song “JESUS LOVES ME THIS I KNOW, FOR THE BIBLE TELLS ME SO. LITTLE ONES TO HIM BELONG, THEY ARE WEAK BUT HE IS STRONG.’

PRISCILLA now is resting peacefully in those strong arms in Heaven. No more pain or heart ache. I love you Priscilla and miss you my friend.
