

Pushpa Handa

March 8, 1945 - August 30, 2025

It is with great sadness that we announce the passing of our beloved grandmother (dadi), Pushpa Handa, who departed this life peacefully on August 30, 2025, at the age of 80, surrounded by her family in Santa Clara, California.

Pushpa was the cherished wife of 57 years to Yash Paul Handa, her lifelong partner and dearest companion. She was a devoted mother to Neerav Handa and Ankur Handa, loving mother-in-law to the late Manjusha Handa and to Rakhee Handa, and a loving grandmother to Shikha, Shreya, Rachit, and Ayaansh. She also leaves behind a large extended family and many dear friends who loved her deeply and will forever hold her close in their hearts.

Born in Pathankot, India, Pushpa made her life in many places across India, while also spending time visiting her family in the United States.

She was a strong, confident woman with clear convictions. Her warmth, kindness, and resilience touched the lives of all who knew her. She will be remembered for her boundless love for family, her generosity of spirit, and the lasting legacy of care and compassion she leaves behind. Even at 80, she delighted in cooking a wide variety of meals and snacks, knitting, and stitching. Her sharp wit, efficiency, and unwavering dedication to her family remain unmatched. She was, in every sense, the rock of her family — a steady source of strength, love, and guidance.

Her presence will be deeply missed, but her memory will continue to live on in the hearts of her family and friends forever.
