“ *Just here thinking about my beautiful sissy poo! How every time you wanted to drink a beer you would call me because we were both too scared to ask ur sister Selina lol we would come up with ways and plot something to where we can convince her. I will always hold those memories close to my heart.*

Love you sis❤️

Raquel Angela Rosas you will be dearly missed your life was taken so early I love you so so much Angela it's going to be hard to move forward without hearing you and seeing you my heart is with pain and sadness I'm trying to be strong and move forward but it's very very hard because days after your death Maria Sanchez she also died in the hospital and I'm also hurting from the pain of that the two important people you have so much love for taking away from me is the tears come from my eyes it floods the past as I try to walk from the grief and sadness I have in my heart but I would cherish all the memories I had with you so many since you were baby they will be in my heart forever I will not say goodbye to you because I know someday I will see you again but until then I'm going to miss you so much Angela what can we meet again my angel I love you Angela so so much

“ Raquel, it took me almost a whole day to try to find the words to describe how much you are missed. You lived your life like A CANDLE IN THE WIND. Always THE LIFE OF THE PARTY. You made us all so proud of the MOTHER, THE WOMAN YOU BECAME. YOU WERE A MOTHER AND FATHER TO YOUR KIDS. INDEPENDENT SINGLE AND FREE...you did it Raquel you really did it!!! You made life with problems look so easy. No matter all the BS you had to deal with you still always had that SMILE and your sense of humor 😊. You didn't let no one take that from you. I love you Cousin. I wish I would've had that one last drink with you... please give a hug and kiss to all our loved ones up there. You are loved and so missed. ❤️ I love ya cuzzo today tomorrow and forever ❤️ Lina

“ We were so young and in love , demons in the streets will &did destroy that love and cloud our souls . I always thought we be back together and almost were back together last year but temptation and evil will whisper and influence spreading darkness . She needed me more than I knew . She’s always have had my love ! I’m always going to look at our children and home of what could of been a happy family , that is all she every wanted . I LOVE YOU ANGELA , ALWAYS DID AND NEVER STOPPED .
