

Roberto Mina

September 12, 1938 - December 28, 2023

Roberto Mina was born in Manila, Philippines in 1938. During his lifetime, he served many roles and wore many hats. While we can try to list everything he had done in his life, above all he was a beautiful soul who devoted his life caring for his loved ones.

When their parents passed at an early age, he cared for his younger brother, Manuel.

When he met his sweetheart, Evelyn, he devoted himself to her and stood by her side through 54 years of marriage. Together they raised 3 children, doted on 4 grandchildren and adored 2 great grandchildren.

He guided and supported his extended family all over the world, wherever they were.

He was committed to the church and was often the loudest singing voice during services.

His presence was always felt so strongly that his passing has left a large ache in our hearts. However, we will always honor and celebrate his life joyfully as he would've wanted us to do.

Please note, while the viewing services will take place Friday, January 5th, the funeral mass will be coordinated for a later date in January at St. Francis of Assisi Church in San Jose. We will share the details of the mass once the date has been finalized.
