

Rosemarie Cruz Visperas

June 17, 1969 - February 8, 2020

Obituary

Rosemarie C. Visperas better known as “Marie”, age 50 passed away on Saturday, February 8th, 2020. She was the ninth child to Melchor and Bernabela Visperas, born June 17th, 1969 in the Philippines. Marie had a passion for cooking, and she also had an unwavering dedication to others. Her willingness and generosity to share this passion of food, was endless. Most of Marie’s adult life was spent battling with diabetes and the complexity that came with the disease. She was never discouraged. Her spirit remained spritely, she adapted to the constant changes that this disease threw at her. She never gave up, she always got through it, and always with a smile. She didn’t look at her disease as a handicap, she met every challenge, until the end, SHE WAS STRONG!

She is survived by 4 sisters, 4 brothers, 12 nephews and 1 niece. But Marie’s greatest joy, her greatest passion and devotion is her son Brenden. He is the one ingredient she couldn’t be without. She lived for him, she loved for him, she was proud of him. She was there for every game, every event cheering him on. She was his #1 fan. She volunteered for all fundraisers that her son participated in. She was his best friend.

Our hearts will forever be broken. “Missing you” will never be enough. Until we see you again....We love you!

Rest in Peace

“ I am saddened to hear of Marie's passing. My sincerest condolences to the Visperas family. I met Marie when our sons were in the same first grade class. Marie was such an amazing, inspiring and upbeat person no matter what she was going through. I will always remember her.

“ My sincerest condolences to the Visperas family. Marie was such an amazing woman and a beautiful soul. My siblings and I grew up as next door neighbors to the family. Marie always made us snacks and took care of us like a second mom. It heavies my heart to know she's gone but knowing she is at peace with more pain can only slightly ease the loss of an amazing person. She's gone gone way too soon and we are all going to miss her! Forever in our prayers with love. ❤️
