Obituary

"On Sunday the 6th of February, Saul Garcia took his place in heaven and gained his wings.

Saul lived a fulfilling, adventurous life as a loving son to Javier and Susana, a passionate father to Ariyah Athena, a caring big brother to Vianney, Priscilla, Jose (Pepe) and Theresa, an amazing husband to Brenda and a friend to many. He enjoyed being with family, laughing, hosting bbqs in the backyard, showing everyone how great of a cook he really was. If he wasn't with family and friends, he would be out and about perfecting his craft as a carpenter, helping loved ones add to their homes with their dream kitchen or deck.

Saul never stayed in one spot, he kept busy. He balanced family, work and fun all at the same time. He stayed involved.

We will all miss him dearly, especially hearing his laughter (it was contagious). We love you Saul, always and forever. This isn't goodbye, we will be together again one day."
