His brother in laws, Ronie(Amie) Pascua, Richard(Eden) Pascua, Roger(Melody) Pascua, Baltazar Jr. And Jener(Charlotte) Pascua. And many nieces And nephews and loved ones.

My dad was born in Connecticut and came to California with his parents and siblings.

He worked for General electric along side his father for many years. He also worked for South Bay circuits. Then worked as a security officer for over 15

years.

My dad was a dedicated husband, father, grandpa, son in law, brother, uncle and friend. My dad worked very hard to support his family whom he loved very dearly.

He loved spending time with his family.

My Dad always loved to go for drives and go out to eat. I remember him always taking us bowling to Santa Cruz bike rides or just to cruise away town. My dad loved to listen to oldies music while driving and had a big influence on me growing up.

My Dad was a great inspirational always said to do the best you can even when life throws you hardships. He was always supportive whenever I needed someone to chat with. I loved hearing stories that my dad used to share with me. I loved listening sing to my mom sweet Caroline or the green grass of home. I loved going with him on drives even when he didn't have a destination in mind.

The most wonderful thing I seen my Dad do was become a grandpa. My Dad was so proud and very excited to meet his 1st Grandchild. I remember when my Dad got to hold him and share such little precious memories with his grandson. I could see how happy my Dad was. Made me so happy.

So many memories we've all shared with you Dad. I just wanted to say thank you for being a good husband, a good father and good grandpa. Thank you for bringing my grandparents, my uncles(aunts) and cousins here. You did your very best to love us all unconditionally. I'm so happy that you were my Dad I couldn't picture my life without you. I'm so happy that your resting and at peace now with our loved ones in heaven.

I would like thank my mom for taking good care of my dad when he was sick. I

would like to thank grandma Linda for helping too.

I would like to thank grandma myla cabaya for helping us again. Thank you my Dad's Pallbearers, Alex Corral, Alejandro Novoa, Mark Pascua, Brendon Pascua, Jarett Pascua and Allen Pascua.

And thank you to Barry Bamford for helping us with our Dad's funeral.
