more time to go on luncheons together or even just simply randomly
bump into each other at the office as we often did. Rest in peace,

“ It always rains the hardest on the people who deserve the sun. Life is unfair, death is unfair. The fact that you're no longer here will always cause me pain. if love alone could have saved you you never would have died.but you're gone and all we can do is cry. sadness in my soul...forever in my heart.....until we meet again ♥
